"Fever"

Never know how much I love you
Never know how much I care
When you put your arms around me
I get a fever that's so hard to bear

You give me fever when you kiss me
Fever when you hold me tight
Fever in the morning
Fever all through the night.

Everybody's got the fever
That is something you all know
Fever isn't such a new thing
Fever started long ago

Oh, ow...ohhh-oh-oh-oh-oh...I said...
Sun lights up the daytime
Moon lights up the night
I light up when you call my name
And you know I'm gonna treat you right

You give me fever when you kiss me
Fever when you hold me tight
Fever in the morning
Fever all through the night

Ohhh-oh-oh-oh-oh...
You give me fever when you live and
When you live and learn
Fever when you sizzle
What a lovely way to burn
What a lovely way to burn
What a lovely way to burn
