"Glory Of Love"

Tonight it's very clear as we're both lying here
There's so many things I want to say
I will always love you
I will never leave you alone
Sometimes I just forget say things I might regret
It breaks my heart to see you crying
I will always love you
I will never leave you alone

Coz I am a man who would fight for your honor
I'll be the hero that you're dreaming of
Gonna live forever knowing together
That we did it all for the glory of love

Just like a knight in shining armor
From a long time ago
Just in time I'll save the day
Take you to my castle far away

I am the man who will fight for your honor
Coz I'll be the hero that you're dreaming of
We're gonna live forever knowing together
That we did it all for the glory of love
