Well, my heart went boom,
When I crossed that room,
And I held her hand in mine...

Well, she was just 17,
And you know what I mean,
About the way she looked
Was way beyond compare.
Well I never danced with another
When I saw I said I saw her standin' there.

Well she looked at me,
And I, I could see
That before too long
I'd fell in love with her.
Well She'll never dance with another
When I saw I said I saw her standin' there.

Well, my heart went boom,
When I crossed that room,
And I held her hand in mine...

We danced through the night,
And we held each other tight,
But before too long I fell in love with her.
Now I'll never dance with another
When I saw I said I saw her standin' there.

Well, my heart went boom,
When I crossed that room,
And I held her hand in mine...

So we danced through the night,
And we held we held each other tight,
But before too long I fell in love with her.
I'll never dance with another
When I saw I said I saw her standin' there.

When I saw I said I saw her standin' there.
