Gotta take a little time  
A little time to think things over  
We gotta read between the lines  
In case I need it when I'm older

This mountain I must climb  
It's like the world upon my shoulders  
Through the clouds I see love shine  
It keeps me warm as life grows colder

In my life there's been heartache and pain  
I don't know if I can face it again  
I can't stop now  
I've travelled so far  
To change this lonely life

I wanna know what love is  
I want you to show me  
I wanna feel what love is  
I know you can show me

Lord help me to be strong  
On this road I travel on  
When I'm lost and lonely  
Find me

My journey's just begun  
And I'm not the only one  
Oh I wanna know  
I wanna know

Yes I've found out  
I want you to show me  
I wanna feel what love is  
Oh I know you can show me

Gotta take a little time
