I left a good job in the city a working for the man every
night and day
And I never lost one minute of sleep
And worryin' bout the way things might have been
Big wheels keep on turning Proud Mary keeps on
burning
Rollin' rollin' rollin' on the river

I cleaned a lot of plates in Memphis I copped a lot of
cane down in New Orleans
But I never saw the good side of the city till I hitched a
ride on a river boat queen
Big wheels keep on turning Proud Mary keeps on
burning
Rollin' rollin' rollin' on the river
[guitar - steel]
If you come down to the river I bet you gonna find the
people who live
You don't have to worry if you have no money people
on the river are happy to give
Big wheels keep on turning Proud Mary keeps on
burning
Rollin' rollin' rollin' on the river rollin' rollin' rollin' on the
river
Rollin' rollin' rollin' on the river
