I improvise  
And provide a break from normality  
Another day to celebrate  
Intimate things  
Oh but it was just a dream  
As real as it seems  
So quietly yeah  
I didn't hear a thing  
And instantly I knew  
The side of blue  
And instantly I knew  
The side of blue  
Carefully I wait to see  
Another way of being me  
I know I am here too  
Play a game of hide and seek  
Oh but this is make believe  
Emotional themes  
So peacefully  
This is where I'd rather be

And instantly I knew  
The side of blue  
And instantly I knew  
The side of blue  
Side of blue  
Side of blue  
Side of blue  
Side of blue  
Side of blue  
I improvise  
And provide a break from normality  
Another day to celebrate  
Intimate things  
Oh but it was just a dream  
As real as it seems  
So quietly yeah  
I didn't hear a thing  
And instantly I knew  
The side of blue  
And instantly I knew  
The side of blue
