Sometimes I wish that I could turn back time  
I check myself 'cause I was way out of line  
I only hope that we can start all over again

I must admit that I was more than wrong  
I used your heart like a stepping stone  
Please forgive a fool who doesn't know what to do  
What do I do

CHORUS:

And I wish that I could have just one more chance  
And I wish that I could be your pillar of strength  
And I pray that you will see that what I'm sayin' is true  
'Cause I, I wish for you

In my mind I can see your face  
You're on the breath of every word I say  
If there's anyone to place the blame on- it's me  
Baby can't you see?

CHORUS

I wish for you  
I wish for you (for you)  
Oh baby I wish

I really miss you baby  
I think about you baby (all night long)  
I really need you baby  
I wanna hold you baby  
Stay (won't you stay) with me  
Just stay with me

CHORUS

I wish for you  
I wish for you (for you)  
Oh baby I wish  
For you
