Always...
Always and forever...
Always..always and forever...

Sitting here and thinking back to a time when I was
young
My memories are clear as day
I'm listening to the dishes clink
You were downstairs, you would sing
Songs of praise
And all the times I laughed at u
and all the times that u stayed true to us
Now we say

I said I thank you
I'll always thank you
More than you could know
Than I could ever show
And I love you
I'll always love you
There's nothing I won't do
To say these words to you
That you're beautiful forever

You were my mom
You were my dad
The only thing I ever had was you
It's true
And even when the times got hard
You were there to let us know
That we'd get through
You showed me how to be a man
You taught me how to understand
The things people do
You showed me how to love my God
You taught me that not everyone knows the truth

And I thank you
I'll always thank you
More than you will know
Than I could ever show

And I love you
I'll always love you
There's nothing I won't do
To say these words to you
That you will live forever
Forever, forever and ever

I said I thank you
I'll always thank you
More than you could know
Than I could ever show
And I love you
I'll always love you
There's nothing I won't do
To say these words to you
That you will live forever
