Always see it on TV
Or read it in the magazines
Celebrities who want sympathy

All they do is piss and moan
Inside the Rolling Stone
Talking about how hard life can be

I'd like to see them spend a week living life out on the street
I don't think they would survive
Or they could spend a day or two walking in someone else's shoes
I think they'd stumble or they'd fall
They would fall

Fall.....

Lifestyles of the Rich and the Famous
They're always complaining
Always complaining
If money is such a problem
Well, they got mansions
Think we should rob them

Did you know if you were famous you could kill your wife
And there's no such thing as 25 - life
as long as you got the cash to pay for Cochran
And did you know if you were caught and you were smoking crack
McDonald's wouldn't even want to take you back
You could always just run for Mayor of D.C

I'd like to see them spend a week living life out on the street
I don't think they would survive
Or they could spend a day or two walking in someone else's shoes
I think they'd stumble or they'd fall
They would fall

Lifestyles of the Rich and the Famous
They're always complaining
Always complaining
If money is such a problem
Well, they got mansions
Think we should rob them

They would fall
They would fall
They would fall.....

Lifestyles of the Rich and the Famous
They're always complaining
Always complaining
If money is such a problem
They got so many problems
Think I could solve them

Lifestyles of the Rich and the Famous
We'll take your clothes cash cars and homes
Just stop complaining

Lifestyles of the rich and famous
Lifestyles of the rich and famous
Lifestyles of the rich and famous
