Yeah this song is dedicated to every kid
who ever got picked last for gym class (this is for you)
To every kid who never had a date to no school dance
(this is for you)
To everyone whose ever been called a freak (this is for
you)
Here we go
What? What? come on What!?
Ohhhhhhh Ohhhhhhh Ohhhhhhh Ohhhhhhh
Like the time in school when we got free lunch and the
cool kids beat us up
(reduced lunch)
And the rich kids had convertibles and we had to ride
the bus (55)
Like the time we made the baseball team but they still
laughed at us
(you still suck)
Like the time that girl broke up with me cuz i wasn't cool
enough.
TRICK!
Things. Things Here we go The little things. Little things
They always hang around The Little things. Little things
They try to break me down Little Things. Little Things
They just won't go away Little things. Little things
Make me who I am today. GO!! You wanna hate me now
But I won't stop now Cuz i can't stop now!
Like the time mom went to that institute cuz she was
breakin' down(i just cant take it)
Like the car we had that wouldn't start
We had to walk to get around (Hey can i getta ride??)
And that same year on Christmas Eve
Dad went to the store (uhh ill see you guys later)
We checked his room his things were gone we didn't
see him no more.
DICK!
Things. Things Here we go The little things. Little things
They always hang around Little things. Little things
They try to break me down Little Things. Little Things
They just won't go away Little things. Little things
Make me who I am today. GO!!! You wanna hate me
now

But I won't stop now Cuz i can't stop now
What! What! What! What!
Little things, little things, little things, little things
(Ohhhhh)
Little things, little things, little things, little things.
(Ohhhhh)
Little things, little things, little things, little things
(ohhhhh)
Little things, little things, little things, little things
ohhhhh,
ohhhhh, ohhhhh, ohhhhh,
here we go, and it always seems those little things,
they take the biggest part of me,
it always seems those little things,
they take the biggest part of me,
it always seems those little things,
they take the biggest part of me,
and i know that those little things,
they make the biggest part of me, break down,
im breaking down,
