When I think about mylife
i wonder if i will survive to
live to see 25 or will i just fall?
Like all my friends they just
keep dyin people round me
always crying in this place
i like to call my home

CHORUS

Not everybody knows that everybody
goes to a better place Not everybody
knows that everybody could be livin their last days
But the hard times will come and will keep
movin' on we're movin on leep movin on

On without the things we've lost the things
we've gained we take with us

And All i've got are these two hands To
make myself a better man I wonder if
i'll ever see the end of this With all this
rain it just keeps falling On my head and now
i'm calling Out to someone else to help me
make it through

CHORUS

Not every body knows that everybody goes
to a better place and not everybody knows that
everybody
could be livin their last days but the hard times will
come
and will keep movin on weire movin on keep movin on
