She's got tatoos and piercings
She likes minor threat she likes social distortion
My girl's a hot girl
A hood rat who needs an attitude adjustment
Christina wouldn't wanna meet her
She hates you Britney so you better run for cover
My girl's a hot girl A riot girl and she's angry at the
world
Emergency call 911 she's pissed off at everyone
Police, rescue, FBI, she wants a riot, she wants a riot
and everywhere we go she gets us thrown out
constantly
but that's ok because i know i know i know
my baby would do anything for me, yeah
Christina wouldn't wanna meet her
She hates you Britney so you better run for cover
My girl's a hot girl A riot girl and she's angry at the
world
Emergency call 911 she's pissed off at everyone
Police, rescue, FBI, she wants a riot, she wants a riot
Don't you know that all i really want is you
Gotta know that all i really want is you
Emergency call 911 she's pissed off at everyone
Police, rescue, FBI, she wants a riot
Emergency call 911 she wants a riot
Police, rescue, FBI, she wants a riot
