Worldwide what?
Waldorf, Naptown, Worldwide...Wide.
Come on, Get up Get up Get up
Come on
Yeah break it break, break it down Tickey tickey.

CHORUS:
Everything's gonna be alright now,
everything's gonna be alright.
Get down stay up all night now,
Lets do this one more time.
Everything'll be alright, alright.

Bring it in, bring it in (what?)
Bring in the verse.

Listen up cause there ain't nothing funny,
I wanna a hot girl and a little bit of money.
I wanna little house where my band can live,
Cause we're tired of movin every other week-end.
I wanna go to parties where they got no guns.
I wanna rock with my band,
I wanna have a little fun
Where thugs and punks and any other type
Can sing this song and up sing it all night.

CHORUS

All I wanna do is kick the welfare.
All I wanna do is get my share.
All I wanna do is kick the welfare.
All I wanna do is get my share.
And I don't wanna run for the president
I just want an honest way to pay my rent
And I'm tired of the man always shuttin us down
Tired of my old man cause he's never around.
And I'm tired of eating off of other people's plates
And I don't look important so they're telling me to wait
Police records said they wouldn't exist
I wanna know the meaning of a Christmas list.

Said all i wanna do is kick the welfare.
All I wanna do is get my share.
All I wanna do is make somethin from nothin,
It's GC baby and we're workin with somethin.

CHORUS

We'll be self-made millionaires
These lives we'll lead without a care, oh yeah
And we'll see what we'll be.

Everything's gonna be alright now,
Everybody say ah yeah that's right.
Everything's gonna be alright now,
Everybody say it one more time.
Everything'll be alright (Tickey Tickey) alright (get up,
get up, get up)

We'll see you when we get there.
We'll see you when we get there.
On the video,
Or the radio,
In the magazines,
On the movie screens.
