Where everything is in it's place,  
And I can't stop, the smile on my face,  
'Cuz I'm happy, I'm happy in this place.  
And all of my friends, are in this place.  
And I can't stop, the smile on my face,  
'Cuz I'm happy, I'm happier in this place.

A 1, 2, 3  
So smile, smile on my friends,  
You're in a happy place.  
So smile, smile on my friends.  
Cmon smile, smile on my friends,  
You're in a happy place.  
So smile, smile on my friends.

When I'm feeling bright, and I'm feeling good.  
I thought that I might, but you knew that I would,  
Cuz I'm happy, I'm happier in this place.  
And I wanna dance, I wanna smile,  
I took a chance and stay for a while,  
Cuz I'm happy, I'm happier in this place.

A 1, 2, 3  
So smile, smile on my friends,  
You're in a happy place.  
So smile, smile on my friends.  
Cmon smile, smile on my friends,  
You're in a happy place.  
So smile, smile on my friends.

Turuturururu  
Turuturu...

Where everything is in it's place,  
And I can't stop, the smile on my face,  
'Cuz I'm happy, I'm happy in this place.

A 1, 2, 3  
So smile, smile on my friends,  
You're in a happy place.  
So smile, smile on my friends.  
Cmon smile, smile on my friends,

You're in a happy place.  
So smile, smile on my friends.

Where everything is in it's place, (turuturururu)  
And I can't stop, the smile on my face,  
'Cuz I'm happy, I'm happy in this place.  
And all of my friends, are in this place.  
And I can't stop, the smile on my face,  
'Cuz I'm happy, I'm happier in this place.  
(Turuturururu)
