She try to play me

Ooh Ooh Ooh Ooh
I was drivin', late one night and
I was thinking,
U need a guy like me lady,
To love and hold u
But u try to play me out,
Everytime I tried to call u
And I warned u, if gonna front
I don't need u
I told u with me it's all love
No matter what u do I can't hate on you
I watched u come up
And I know this game ain't for play,
I'm try to go platinum puff a dub
But u're turned back on me
Let the brother all alone like what
Look at me now it's all... up

Chorus:

I looked in ur eyes,
How can you be,
So cold and dishonest,
She tried to play me,
Thought we were close
And I was mistaken,
What was I thinking

Now I'm gliding (ooh)
Pearl G 5 jet
Destination to private islands
Could've been me and u
But u allways spend ur hours(ooh)
Critisizing everything I did
From the food to the flowers
And I'm tired
I could'nt take it no more
I had to get this paper,
Now I got security holding my door
I got jewels by david,

Man look at me I'm doin'
It ya'll
And ain't nothing stoppin' this kid
You know I step to it like a full blown star
And buy a whole round for the bar

Chorus:

I looked in ur eyes,
How can you be,
So cold and dishonest,
She tried to play me,
Thought we were close
And I was mistaken,
What was I thinking

Bridge:

It was foolish from me,
How could u do this to me
I gave u all of my love
And u still played on me

Chorus:

I looked in ur eyes,
How can you be,
So cold and dishonest,
She tried to play me,
Thought we were close
And I was mistaken,
What was I thinking
