Love is like a dream  
You fall asleep and then you scream  
I am switched on, I feel alive  
But it's like love unsatisfied

Roses, roses turn black  
I'm turnin' away in my bed

Life is like a dream  
It explodes, it's never seen  
I'm feeling high just like a God  
And in my head, it's all messed up

Roses, roses turn black  
I'm turnin' away in my bed

I'm turnin' away  
I'm blowin' away  
I'm fadin' away  
I'm blowin' away

Roses, roses turn black  
I'm turnin' away in my bed

I'm turnin' away  
Away, away

Roses, roses turn black  
I'm turnin' away  
I'm blowin' away  
I'm fadin' away, turnin' away
