**\*Verse1\***

I walk in the club,  
and I need a ride.  
I wanna get down ,  
and dance tonight.  
I see you over there,  
while you're flipping your hair.  
come on baby,  
come on over here.

I'm watching as you're approaching me,  
and thinking of what you could do to me.  
You grab my hand and pull me into the crowd,  
I'll get to the point,I'm just here to get down.

**\*bridge\***

The wind starts blowing,  
and the cameras keep snapping.  
everyone is watching,  
but we keep on dancing(!).... oooowwww....  
do you like it?

The wind starts blowing,  
and the cameras keep snapping.  
everyone is watching,  
but we keep on dancing(!).... oooowwww....  
do you like it?  
...HAHA...

**\*chorus\***

Cause I'm Hot\_\_ like fire  
ewwo,  
and my moves\_\_ are like fire  
I'm burning up\_\_ like fire.  
and everytime I walk by, It's like fire.

Cause I'm Hot\_\_ like fire, and my moves\_\_ are like fire.  
I'm burning up\_\_ like fire,  
and everytime I walk by, It's like fire, fire.

\*verse 2\*

get what i need.  
grinding on a pole,  
go ahead britney.

waving and bouncing,  
jumping up and down.  
where rockin to the beat,  
of this hot ass sound.

so we break it to the middle,  
baby move your feet.  
and i love it,  
cuz u can keep up with me.

wanna grind with me,  
come spend sometime with me.  
well get up and move,  
just maybe we'll see.
