Baby girl twist away
When you're talking to me
I can't breathe
Set some time aside to say
Why don't you stay
Seven years later I still I feel like a child

You're the one
I know you are

You're the one
I know you are

This calm feeling ends
When you enter
Not many cigarettes left
And I'll wait... until you get back...until you arrive
Don't want to, I want to
I wouldn't, I would

You're the one
I know you are

You're the one
I know you are

Meredith, I'll miss you when go anywhere
She's so lovely
But she still loves me
