Felt like the weight of the world was on my shoulders  
... should I break or retreat and then return  
Facing the fear that the truth, I discover  
No telling how, all these will work out  
But I've come to far to go back now.

Chorus:

I am looking for freedom, looking for freedom  
And to find it cost me everything I have  
Well I am looking for freedom, looking for freedom  
And to find it, may take everything I have

I know all too well it don't come easy  
The chains of the world they seem to movin tight  
I try to walk around if I'm stumbling so come...  
Tryin to get up but the doubt is so strong  
There's gotta be a winning in my bones

Chorus:

I'm looking for freedom, looking for freedom  
And to find it, cost me everything I have  
Well I'm looking for freedom, I'm looking for freedom  
And to find it, may take everything I have

Oh not giving up there's always been hard, so hard  
But if I do the thanks lase the way I won't get far.

Mhm, life hasn't been very kind to me lately, (well)  
But I suppose it's a push from moving on (oh yeah)  
In time the sun's gonna shine on me nicely (on me  
yeah )  
Sudden tells me 'cause things are coming  
And I ain't gonna not believe

Chorus:

I'm looking for freedom, looking for freedom  
And to find it, cost me everything I have  
Well I'm looking for freedom, I'm looking for freedom  
And to find it, may take everything I have
