There used to be a little old boy ridin' my bus home from school... Yeah ..

Intreverted, kinda frail, didn't think much of himself... No ...

He used to see the pits and his mother's druken

boyfriend, hangin' out by the corner store.

There was a very old lady that used to call him baby and in his mind this is what he heard..

Georgia Parker, Get Away

Georgia Parker, Come With Me

Georgia Parker, Free Your Mind

Georgia Parker, Let Yourself Be

Georgia Parker, Come With Me

Georgia Parker, Ohhhhh

Georgia Parker, Georgia

Tryin' to be his only friend, he wasn't open to strangers dens... Oh No...

He turned his head and walked away, as he turned around and started to cry.. "Why Me?"...

Stuck in the lions den to scared to let hell win, he had to make a sacrifice.

He tried to cope with it and couldn't find the strength,

could anybody tell me where Georgia is?

Georgia Parker, Come With Me

Georgia Parker, Free Your Mind

Georgia Parker, Get Away

Georgia Parker, And Let Yourself Be

Georgia Parker, Come With Me

Georgia Parker, Free Your Mind, your mind, your mind,

and Get Away

Georgia Parker, There'll Be

Georgia Parker, A Better Place

Georgia Parker, For You And Me

Georgia Parker, Free Your Mind

Georgia Parker, Get Away

Georgia Parker, Follow me

Georgia Parker, Follow Me

Georgia Parker, To a Place

Free your mind, let's go to, to a place, where you can be free, Ohh Georgia.

Free your mind, let yourself go and the rest will follow.

Oh No, Oh No, Oh No Geogia Can anybody sing it?
