"I Cry"

I'm so tired of all these love wounds
That you left girl when you went away
Sittin' here fightin' a battle
That was over when I had to relocate
You see, I ain't much for letting go
Nah, baby, I gotta hold on
Cause trials, tribulations, and relationships
Have all made me strong.

Oh, girl, I cry
These tears that I she'd
Are the trail to bring you home
Oh, girl, I cry
Momma told me that a man's own tears
Can make him strong
Oh, girl I cry
I'll sit around here
And wait for you to come home
I'll cry for you
I'll cry
I'll cry for you
I'll cry

Away from you with a baby, girl
Is too much for me
I missed choir practice on Saturday
Tryna catch the last midnight movie
You see, I just buried my mother
And I'll be damned if I lose you
Until time brings you home again
This is what I'll do

Oh, girl, I cry
These tears that I she'd
Are the trail to bring you home
Oh, girl, I cry
Momma told me that a man's own tears
Can make him strong
Oh, girl I cry
I'll sit around here
And wait for you to come home

I'll cry for you
I'll cry
I'll cry for you
I'll cry (3x)

Oh, sometimes
Oh, sometimes
I sit around the house cryin', yeah
I sit around the house complaining to myself
Oh, oh, yeah, yeah, yeah
Said anytime, anytime
You want to come home, baby (Fades)
