Chorus

Tried for so long / for you to hold on /
But you won't be long / to anyone /
Any thang, any love / at all /

Verse I

I thought we had it all / until things started to receed /
Giving me no love at all / not caring enough about my
needs /
Gave you my heart and all my soul / but not once did I
let go /
And I tried / to stick by you / and I tried to call / to let
you know /
That I'm here for you / and I'm give my all /

Chorus

Tried for so long / for you to hold on /
But you want belong / to anyone /
Any thang, any love / at all /

Verse II

You had the best love of you life /
But you didn't treat it right / no you didn't / no you
didn't girl /
To busy running out all night long / didn't even have
the decency to just
Pick up the telephone / and just call me / and let me
know where you were /
And that your alright / so I can sleep at night / girl you
showed out so /
Had the nerve to break up our happy home / all I wanna
do / is do for you /

Chorus

Tried for so long / for you to hold on /
But you want be long / to anyone /
Any thang, any love / at all /

I stood by your side / sheltered for you / when things
were down /
I help pull you through / Faithful and all / trusting and

warm / but you took heart by storm/

Chorus
