You came along so easily  
Laughing all the way you go  
He was such a man  
Wanted more than anything  
To give you a piece of himself  
There's nothing left

But I don't know what it is about you  
I need to be around  
Just to feel alive  
Just to feel alive  
If you'd have me I'll be grateful  
Just a taste barely a mouthful  
Just to feel alive  
Just to feel alive

You came about so effortless  
Timing I couldn't dismiss  
So save my life  
In every tune and poems too  
There's no denying with you  
You rule my mind

Oh I don't know what it is about you  
I need to be around  
Just to feel alive  
Just to feel alive  
If you'd have me I'd be grateful  
Just a taste barely a mouthful  
Just to feel alive  
Just to feel alive

I never wanted anything more  
I never wanted a thing  
Just to feel alive  
Just to feel alive  
Oh

I don't know what it is about you  
I need to be around  
Just to feel alive  
Just to feel alive

If you'd have me I'd be grateful  
Just a taste barely a mouthful  
Just to feel alive  
Just to feel alive  
I don't know what it is about you  
I need to be around  
Just to feel alive  
Just to feel alive  
If you'd have me I'd be grateful...
