No no no, dada da da, la la la ohh, heyyy

[verse1]

Member when at first i seen your eyes, captavaited,  
touching me inside,  
Went threw all the small talk to be with you, took my  
time try'n to get it back,

[chours]

If i could understand, (understand) what called you  
here, it's for my good that i have you near

Oh love, love is so complicated the way that i feel about  
you, (about you baby) make me wanna change my  
attitude, what i feel this here can't be real (cant be real)  
i think i'm gonna chill right here cause i wanna be with  
you.

[verse2]

I long to kiss you girl, along your spine, give you mine,  
keep it souls replied, unplug the phone girl it's just me  
and you, summerng in two, the deepest part of you,

[chours]

If i could understand (understand) what brought you  
here (what brought you here) it's for my good that i  
have you near, (oh babe)

Love, love is so complicated, the way that i feel about  
you (bout you) make me wanna change my attitude,  
(that's how i feel) What i feel this here can't be real i  
think about you right here, ohh ohh, cause i wanna be  
with you

Love, (love)love is so complicated, the way that i feel  
about you make me wanna change my attitude (change  
my ways baby) what i feel this here can't be real, (cant  
be real) i think im gonna chill right here (ohhh oh ohh)  
cause i wanna be with you.

[verse3]

Sometimes i see (sometimes i see) that this is too good, to be real (to be real), (sometime) and every night i wonder, (i wonder) if you will be the one (would you be the one, the one-)

[chours]

Love, love is so complicated the way that i feel about (ohhhh feel about you baby) you make me wanna change my attitude, what i feel this here can't be real (cant be real) i think i'm gonna chill right here cause i wanna be with you,

Love, (ohhhh loovee, heyy hey hey hey, loove) love is so complicated the way that i feel about you will make me wanna change my attitude, what i feel this here can't be real (cant be real), i think i'm gonna chill right here (ohh no no no ohh oh no no no ohh oh) cause i wanna be with you,

Love, love is so complicated, the way that i feel about you cause i wanna, i wanna be- .. yeahh-eahh
