Where did our daughter go?  
It's me she must escape  
My burdens I can't erase  
The mother I might have saved

(Assassin...murderer...monster...)

Marni, I need you now  
Look what I've become  
The nightmare that she should fear  
Is the father you left alone

(Assassin...murderer...monster...  
Assassin...murderer...monster...  
Assassin...murderer...monster...)

The years roll by without you, Marni  
Seventeen have come and gone  
I raised our Shilo with the best intentions  
But there is something I can't tell her  
I am lost without you here  
I am only living out a lie!

But Shilo can never leave!  
She is my everything!  
Nothing can bring you back!  
Shilo is all I have!

(Assassin...murderer...monster...  
Assassin...murderer...monster...  
Assassin...murderer...monster...)

The years roll by without you, Marni  
Seventeen have come and gone  
I raised our Shilo with the best intentions,  
But there is something I can't tell her  
I am lost without you here  
I am only living out a lie!

I'm the monster! (Assassin!)  
I'm the villain! (Assassin!)

What perfection! (Assassin!)  
What precision! (Assassin!)

Keen incisions, (Assassin!)  
I deliver! (Assassin!)  
Unscathed organs, (Assassin!)  
I deliver! (Assassin!)  
Repossessions, (Assassin!)  
I deliver! (Assassin!)  
I'm the Repo, (Assassin!)  
Legal assassin! (Assassin!)
