(Repo Man! Repo Man!)

It's a thankless job,
But somebody's got to do it...
Peelin' off the tissue inch-by-inch,
Skinnin' off the muscle, too
Harvesting the kidneys for the fall
Savin' up the livers in the fridge
No one ever thanks me when I'm done
How self-absorbed people can be!

With a slice, or a snip,
Eenie-meenie-minie-moo...
With a cut, and a stitch,
Returning organs good as new!

It's a thankless job!
But somebody's got to do it!
Like a mop!
And a broom!
No one wants a thankless job!
