Stop me
she used to say
and if you can't stop me
use me

hold me
take off my clothes
and if you guess something
ask me

take me
she used to say
take me to your whisper
away

and the words now fail me
what can i do
i can't make out what is growing
standing by you

take me
she used to say
take me to your whisper
away

love me
take off my thoughts
if you guess something
ask me

and the words now fail me
what can i do?
i can't make out what is growing
standing by you

and the words now fail me
what can i do?
i can't make out what is growing...

and the words now fail me
what can i do?
i can't make out what is growing

standing by you
