To fight for Queen and Country
To rage a bloody war
To shoot without a conscience
To die without a cause

Ohohohohohoh

They gave us guns for toys
They showed us how to play
So we became the dogs of war
To blow ourselves away

To fight for Queen and Country
To rage a bloody war
To shoot without a conscience
To die without a cause

Ohohohohohoh
The power and the glory
Ohohohohohoh
The power and the glory

And so it came to pass
Oh we have killed a fellow man
Oh we raised our flags on peace
Oh all the pride was in our heads

To fight for Queen and Country
To rage a bloody war
To shoot without a conscience
To die without a cause

Ohohohohohoh
The power and the glory
Ohohohohohoh
The power and the glory
Ohohohohohoh
The power and the glory
Ohohohohohoh
The power and the glory
