People ask me why I wear my makeup so dark?  
Maybe I'm trying to cover up each and every little scar  
Or maybe I don't want the world to see  
See me, feel so uncomfortable, completely naked for  
everyone to see

(cause) I feel so damn unpretty  
I'll never be the girl posing in your fashion magazines  
My skins broken out, I'm only a size three  
I feel so damn unpretty

I'll never be perfect for them or for me  
Flat as they come, no curves to be found anywhere on  
me  
Why are people staring in my direction?  
Must be something in my hair, on my face or in my  
teeth

(cause) I feel so damn unpretty  
I'll never be the girl posing in your fashion magazines  
My skins broken out, I'm only a size three  
I feel so damn unpretty  
You know they used to point in magazines to those  
perfect little prom queens telling me I should look that  
way, dress that way, be like them - I'll never be that  
kind of girl.  
And there are plenty of others like me going to each  
and every extreme just to be as flawless as those  
celebrities you see on the tv  
Well I've been down that road before and it only leads  
to pain so I'd rather feel damn unpretty and not live in  
vain!

(cause) I feel so damn unpretty  
I'll never be the girl posing in your fascist magazines  
My skins broken out, I'm only a size three  
I feel so damn unpretty

Feel so damn unpretty  
Feel so damn unpretty  
Feel so damn unpretty  
Don't want the world to see me
