"Live Fast Die Old"

Visit "[Live Fast Die Old](#)" on MotoLyrics.com

I need some action in my life
The only way I can survive
I will not run I will not hide
I see life from the bright side
I need some fun I need some laughs
Otherwise I'm living half
I want to enjoy my life
Cause I'm too young to fucking die!

Live fast stay young
Live fast die old

When I take a look at you
You hang around don't know what to do
You say your life's a fucking bore
It's all the same you don't want more
I cannot sit around and wait
Life is short I'm running late
So many things I wanna do
I'm not gonna end up like YOU!
