#### SYNAPSE

Opiate magnet  
It's thirst and it was pulling  
We met in the earth while I laid on dry dirt  
I humbly serve you  
Queen of the dragon  
Chasing, raping, killing  
Dying freezing  
Lying to your loved ones  
Stealing  
You are the eater of men's souls

So you burn me again like a moth to the flame  
Drown in her depths  
(slay me)  
Swim in her shame  
Corroding like rust as she tears you apart

I am the product  
Rotten offspring of the needle  
Chemical synapse dictates behavior  
A fool if bought my lies  
I'd sell your soul to the devil if it'd get me high

Lysergik chemical drip  
Methadone waste land  
My days burn together  
My nights in a nod  
Drowning  
Your killing me  
You know I'll submit every time

I am the product  
Rotten offspring of the needle  
Chemical synapse dictates behavior  
A fool if bought my lies  
I'd sell your soul to the devil if it'd get me high

Lysergik chemical drip  
Methadone waste land

My days burn together  
My nights in a nod  
Drowning  
Your killing me  
You know I'll submit every time

Make me alive
