Verse 1-

I believe that heaven must be like this
Ray of sunshine kissed upon your skin
Just say you love me
Make my day go good
Pot of gold at the end of a rainbow

Chorus

Can't tell you nothing you ain't already heard
No matter what I say it's nothing but words
Just let me prove to you what I know is real
Let me express to you the way that I feel

Verse 2-

I believe that love is anonymous
With heaven, such a sensual bliss
The way you touch me, makes this life so good
I'll be whatever end of our long road

Can't tell you nothing you ain't already heard(Already heard)
No matter what I say it's nothing but words(Nothing more than words...hey)
Just let me prove to you what I know is real(So Real)
Let me express to you the way that I feel(Show me the way that you feel)

Bridge

Fairytales can be real if you just believe
Got my mind made, I don't plan to leave
Cause you were made for me
Simple that may be
Why be complex
loving you is so easy

Can't tell you nothing you ain't already heard(Already Heard)
No matter what I say it's nothing but words(Nothing But Words)
Just let me prove to you what I know is real(It's Real..Yea

yea)
Let me express to you the way that I feel

Can't tell you nothing you ain't already heard
No matter what I say it's nothing but words
Just let me prove to you what I know is real
Let me express to you the way that I feel

Can't tell you nothing
(I ain't already heard)
No matter what I say
(It's nothing but words)
Just let me prove to you what I know is real
Let me express to you the way that I feel
