Choose Or Get Chossz-Antoine L. Dunn

It's the last call for alcohol
dime divas please report to the floor
i'll be damed if I leave here Alone
say right now i'm tryna choose or get chose
choose or get chose
I gotta get mine and girl you gotta get yours
Yea.....Ooo

Up in the club dressed up my fit right
i'm in the mood to hit something tonight
girl it can be you maybe it can be your friend
but I don't care cause Damn right I'm choosin

I'm at the bar with shots of trone and grey goose
don't be afraid cause yea girl i see you
workin those hips and workin that smile
are you tryna be the one that im choosin tonight

Chorus:

It's the last call for alchohol
dime divas please report to the floor
i'll be damed if I leave here Alone
say right now i'm tryna choose or get chose
choose or get chose
I gotta get mine and girl you gotta get yours

choose or get chose
because this clubs about over
i want you to come over
and right now i'm tryna choose or get chose

I see you standing there fine as you wanna be
but i'm running out of time and i don't wanna leave
the fliest woman any man would ever wanna see...(Naw
Foreal)
and with you is where I wanna be
your smile your style your hips
your smell your hair your hips
tell me how close could one man get

to taking you home in his whip

Chorus(x2)

Bridge:

hey I was sittin here the whole night and uh...
I was just thinking of what it would be like if uh...
you left with me...It would be like this...

um ah, um ah...
it would be like...
um ah, um ah...
choose or get chose....
baby i'm choosin(x4)
last call

Chorus(x2)
