Intro

Oh... yea
Yea... oh yea
Look...

Verse

How many ways can I say this
I know It's gone hurt me but I can't stay here
Today I'm giving you my resignation
But I surely don't know if you can take it

Cause you've given more than I've taken love
So much more than I could ever repay you for

Say you're the last the first that I'll adore
And I'm forever grateful girl
And just wanna thank you

Chorus

Cause baby you real
And that's exactly how I feel
But to live each day together would be so unreal

So I'll say a prayer out loud no matter where you are
And while you're gone
I'll love you from a far
Cause baby you're real

Verse

You're truly the one my heart will stay with
But right now it don't seem like we gone make it
So I'm stepping to the side of the pavement
And I'll stay here
Cause we'll unite one day here

Only for you would I place my pride aside
Cause you make me better
Oh and I can't deny

So for now I'll put this love on lay away
And I promise I'll pick it up at a later date

Chorus

Cause baby you real
And that's exactly how I feel
But to live each day together would be so unreal

So I'll say a prayer out loud no matter where you are
And while you're gone
I'll love you from a far
Cause baby you're real

Cause baby you real
And that's exactly how I feel
But to live each day together would be so unreal

So I'll say a prayer out loud no matter where you are
And while you're gone
I'll love you from a far
Cause baby you're real

You're real... yea... baby
