I've found the answer  
On how to live a life that's pleasing to His sight  
There is, yes there's a shepherd,  
Who is standing near and waiting for your hand...  
Jesus... knows and He cares for you  
His eye is on the Sparrow, and He watches me  
There's no need to worry, and there's no need to cry  
(Verse 2)  
He will... I know He will provide  
He has a master plan in stored for you my friends (Oh  
yea...)  
Stand still... Stand still and know He's God  
He can make away for you out of no way  
Jesus knows and He cares for you  
His eye is on the Sparrow, and He watches me  
There's no need to worry, and there's no need to cry  
(Chorus)  
Jesus... (He's the answer) The Answer... (Yes He is)  
I've tried Him for myself so many times  
(I know He will) He will... He will supply your needs  
All according to His riches and glory  
Jesus... knows and He cares for you  
His eye is on the Sparrow, and He watches me  
So there's no to worry, and there's no need to fear  
(Harmonic Vamp)  
Jesus... He is the Answer  
So don't you give up now, Jesus He won't fail  
Jesus... knows and He cares for you  
His eye is on the Sparrow, and He watches me  
So there's no to worry, and there's no need to fear  
  
Because... He will make away (? X)  
... (Ending with 2part Harmonization)
