Sky, so vast is the sky  
With faraway clouds just wandering by  
Where do they go  
Oh! I don't know, don't know...  
Wind that speaks to the leaves  
Telling stories that no one believes  
Stories of love  
Belong to you and me

Oh! Dindi  
If I only had words I would say all the beautiful things  
that I see when you're with me  
Oh, my Dindi  
Oh, Dindi  
Like the song of the wind in the trees that's how my  
heart is singing, Dindi  
Happy, Dindi, when you're with me  
I love you more each day, yes I do, yes I do  
I'd let you go away if you'd take me with you  
Don't you know, Dindi  
I'd be running and searching for you like a river that  
can't find the sea  
That would be me  
Without you, Dindi
