Hearing the calling of darkness  
Spending my time by your side  
I don't want to die  
I am looking for  
The eternal flame  
The flame of life

Now I am walking around the end  
I'm only running against time  
It's true or false  
I'm loosing my control  
I'm looking for  
The flame of life

An angel tells me that the flame is love  
But all the love I have I know it's gone

The reason of our lives  
The meaning for your crying days  
Now think about your future  
You know your life is not a game  
The flame of love is around your head  
The flame cries sometimes  
The flame of happyness

(Solo: Rionda)

Now I am walking around the end  
My own enemy is time  
It's true or false  
I'm loosing my control  
I'm looking for  
The eternal flame

An angel tells me that the flame is love  
But all the love I have I know it's gone

The flame of love is around your head  
The flame cries sometimes  
The flame of happyness

The flame of life

The flame of life  
The flame of life oooh
