Just mind the shadows I got in you.  
So tell me now what you're gonna do.  
Tell me, too worries? you're smooth.  
Tell me why death is right in front of you.

Little girl of silver hair,  
Don't you worry, I'll be there.  
Dry your bloody tears, don't cry,  
Time to run

It's time to fight,  
It's no time to cry.  
It's time to hide from the light,  
Hide from the sun.

Learning to walk again,  
Learning to love again,  
Learning to die.  
It's malefic time.

Face the truth, now you are alone.  
So watch your steps and carry on.  
Give them your best shots,  
Don't have to run.  
Give them your best shots,  
Now it's your turn!

Little girl of silver hair,  
Don't you worry, I'll be there.  
Dry your bloody tears, don't cry,  
Time to run.

It's time to fight,  
It's no time to cry.  
It's time to hide from the light,  
Hide from the sun.

Learning to walk again,  
Learning to love again,  
Learning to die.  
It's malefic time.

It's time to fight,  
It's no time to cry.  
It's time to hide from the light,  
Hide from the sun.

Learning to walk again,  
Learning to love again,  
Learning to die.  
It's malefic time.  
It's malefic time.
