Now

I want to see your eyes

I know my time is over

And

I can't live without your smile

I'll wait until you, you come back again

In this lonely place I'll cry

Waiting for another night

You want to be a lonely girl

I want to be by your side

This world has no sense for me

If you go away

Feeling this heart of fire

Burning inside my soul

My anger is filling me

How could I regain you oh yeah

Feeling

In this heart of mine

Your love, your cries, your kiss to say goodbye

I miss you babe

I miss the way you touch me

Now I want to smile

Now I want to cry, am I crazy?

In this lonely place I'll cry

Waiting for another night

(Solo: Rionda)

In this lonely place I'll cry ooooh ooooh

Waiting for another night

You want to be a lonely girl

I want to be by your side

This world has no sense for me

If you go away

Feeling this heart of fire

Burning inside my soul

My anger is filling me  
How could I regain you

You want to be a lonely girl  
I want to be by your side  
This world has no sense for me  
If you go away

Oooooooooooh oooooooooooh  
Regain  
Regain you  
Regain you
