Posi aggeloi horevoun s'ena kardiohtipi..? How many
angels danci in a heartbeat..?
posi aggeloi gelane m'ena su fili..? How many angels
smile with one kiss from you..?
mes se mia vradya mu pires makrya ti lipi You took my
sadness away in one night
isos ise, ke to krivis, aggelos ke sy.. Maybe you are, and
you're hiding it, an angel too..

Ah, na mi telione pote I hope it would never end
to vrady afto pu s'eho plai mu this night that I have you
next to me
na min ximerone pote I hope the sun never rose
tora pu vrika tin agapi mu.. Now i have found my love...
Ah, na mi telione pote I hope it would never end
to vrady afto pu s'eho plai mu this night that I have you
next to me
na min xanavrehe pote I hope it would never rain again
tora pu stegnose to dakry mu.. Now that my tears have
dried out...

Ti na ta kanis ta ftera You dont need the wings
piase ta heria mu gera hold my hands tight
afu me nikises s'enan agona aniso As you have bitten
me in an unegual fight
ti na ta kanis ta ftera you dont need the wings
piase ta heria mu gera hold my hands tight
pame aggele mu ston diko mas ton paradiso... Come
with me ,my angel, to our paradise

Posi aggeloi kitane mesa ap ti matia su..? How many
angels look from your eyes..?
Posi akoma tragoudane m'ena s'agapo..? How many
still sing with one 'ilove you'..?
Mu doses zoi ke ipia mesa ap tin kardia su You gave
me life to drink fron your heart
ke eho gini edo brosta su aggelos ke ego.. And i 've
also, in front of you, become an angel..

Ah, na mi telione pote I hope it would never end
to vrady afto pu s'eho plai mu this night that I have you

next to me
na min ximerone pote I hope the sun never rose
tora pu vrika tin agapi mu.. Now i have found my love...
Ah, na mi telione pote I hope it would never end
to vrady afto pu s'eho plai mu this night that I have you
next to me
na min xanavrehe pote I hope it would never rain again
tora pu stegnose to dakry mu.. Now that my tears have
dried out...

Ti na ta kanis ta ftera You dont need the wings
piase ta heria mu gera hold my hands tight
afu me nikises s'enan agona aniso As you have bitten
me in an unequal fight
ti na ta kanis ta ftera you dont need the wings
piase ta heria mu gera hold my hands tight
pame aggele mu ston diko mas ton paradiso... Come
with me ,my angel, to our paradise
