You run around town like a fool and you think that it's  
groovy  
You're givin' it to some other guy who gives you the eye  
You don't give nothin' to me, you painted a smile  
And you dress all the while to excite me.  
But don't you know you're turning me on  
I know that it's wrong, but I can't stop this pain inside  
me.

Baby, love really hurts without you,  
Love really hurts without you,  
And it's breaking my heart,  
But what can I do, baby,  
Love really hurts without you,  
Love really hurts through and through  
And it's breaking my heart  
But what can I do without you, baby?  
You walk like a dream and you make like you're Queen  
of the action  
You're using ev'ry trick in the book the way that you  
look  
You're really something to see, you cheat and you lie  
To impress any guy that you fancy, but don't you know  
I'm out of my mind, so give me a sigh  
And help to ease the pain inside me.

Baby, love really hurts without you,  
Love really hurts without you,  
And it's breaking my heart,  
But what can I do, baby,  
Love really hurts without you,  
Love really hurts through and through  
And it's breaking my heart  
But what can I do without you, baby?
