"Teach Me"

Visit "[Teach Me](#)" on MotoLyrics.com

I ignored you
So much last night
And I just knew
That I was through
Cause when I walked out-
Out that door
I knew I had failed your statues

Cause everything I did
(Flashed before my eyes)
My commitment to your will
(Saying its' goodbyes)
Moving hastily
(And never asked why)
Now this embarrassment
Keeping me up at night

[Chorus:]
Your grace is all I see
Reminding me how good
You've been to me
It doesn't matter what it takes
I need you with me
So teach me how to love you
And teach me how to be true
I can't go another moment without you
Without you

Everything I see
Reminds me of you
Songs I hear
(Makes me miss you more and more)
Lord I've slipped out-
Out from under your covering
But I realize my mistakes
Will you hold me again
And protect me from myself?

Everything I did
(Flashed before my eyes)
My commitment to your will
(Saying its' goodbyes)

Moving hastily
(You never asked why)
God won't you give me
Another chance

[Chorus]

I won't even try to kid myself
But this emptiness feels so strong
Been living lonely for the past few days
Cause I did my savior wrong
I need another chance to have your hand
And I promise
I will try to uphold you
I just don't want to die
Without you right by my side
Right by my side

[Chorus]
