I could live life alone
And never feel the longings of my heart
The healing warmth of someone's arms

And I could live without dreams
And never know the thrill of what could be
With every star so far and out of reach
I could live without many things
And I could carry, but...

I couldn't face my life tomorrow
Without Your hope in my heart I know
I can't live a day without You

Lord, there's no night and there's no morning
Without Your loving arms to hold me
You're the heartbeat of all I do
I can't live a day without you
No no...

I could travel the world
See all the wonders beautiful to me
They'd only make me think of You
And I could have all life offers
Riches that were far beyond compare
To grant my every wish without a care

Oh, I could do anything
And I could carry on, oh yes
But if you weren't in at all...
Oh Jesus, I live because You live
You're like the air I breathe
Oh Jesus, oh, I have because You give
You're everything to me Oh...
