Free, I long to be free
I long for the day I believe
That all you say you see in me is true
That's hard for me to do
It's hard for me to die to myself
And trust my life to someone else

So come, empty me out
I'm no good without
You inside of me

Come and fill my heart with hope
Come and fill my life with love
Come and fill my soul with strength to carry on
Because from here the climb is steep, the road is long
Come and fill my days with dreams
Empty me of all the empty things that I hold on to
Come and fill my heart with you

I need you in my life
Need you like the air that I breathe
You become the very heart of me
And I, I can't believe my eyes
I can't believe the dream that I've found
Lord your love has turned my world around

So come, fill up my heart till I am like you are
So deep inside of me

Come and fill my heart with hope
Come and fill my life with love
Come and fill my soul with strength to carry on
Because from here the climb is steep, the road is long
Come and fill my days with dreams
Empty me of all the empty things that I hold on to
Come and fill my heart with you

Search me Lord, try my heart
Come and take me now and make me new
So Lord that the world will see you in my life

Come and fill my heart with hope
Come and fill my life with love
Come and fill my soul with strength to carry on
Because from here the climb is steep, the road is long
Come and fill my days with dreams
Empty me of all the empty things that I hold on to
Come and fill my heart with you

Come and fill my days with dreams
Empty me of all the empty things that I hold on to,
Come and fill my heart with you (x2)(fade out)
