Don't get so busy that you miss

Giving just a little kiss

To the ones you love

Don't even wait a little while

To give them just a little smile

A little is enough

See how many people are crying

Some people are dying

How many people are asking for love

So don't save it all for Christmas day

Find a way

To give a little love every day

Don't save it all for Christmas day

Find a way

'Cause holidays have come and gone

But love lives on

If you give on

Love

How could you wait another minute

A hug is warmer when you're in it

Oh, baby that's a fact

And saying I love you's always better  
Seasons, reasons they don't matter  
So don't hold back  
See how many people in this world  
So needful in this world  
How many people are praying for love  
Repeat chorus  
So let all the children know  
Everywhere that they go  
Their whole life long  
Let them know love
