Hundred centuries  
Fell back the sea  
When rainfall  
Appears on one day  
I'll never be the same  
I'll never be  
I'll never be the same

All the trials  
To grow the rice  
No raindrops  
Are dancing for me  
I'll never see the rain  
I'll never see  
I'll never see the rain

Drop in the ocean of sand  
I've never seen the rain  
Searching the sea  
I'll never be the same  
Feeling of liquidity  
I've never seen the rain  
And I grow blind

Even one event  
From heaven sent  
Grants flourishing  
Season's return  
I'll never dry again  
I'll never  
I'll never dry again

Fate seems to be  
Aridity  
To clean the eyes  
From golden dust  
I'll never see the rain  
I'll never see  
I'll never see the rain

Drop in the ocean of sand

I've never seen the rain  
Searching the sea  
I'll never be the same  
Feeling of liquidity  
I've never seen the rain  
And I grow blind
