Is Dexter ill? Is Dexter ill? Is Dexter ill  
Is Dexter ill today, Mr Kirk, Dexter's in school?  
I'm afraid he's not, Miss Fishborne

Dexter's truancy problem is way out of hand  
The Baltimore County school board have decided to  
expel  
Dexter from the entire public school system

Oh Mr. Kirk, I'm as upset as you to learn of Dexter's  
truancy  
But surely, expulsion is not the answer  
I'm afraid expulsion is the only answer  
It's the opinion of the entire staff that Dexter is  
criminally insane

That boy needs therapy, psychosomatic  
That boy needs therapy, purely psychosomatic  
That boy needs therapy

Lie down on the couch, what does that mean?  
You're a nut, you're crazy in the coconut  
What does that mean? That boy needs therapy  
I'm gonna kill you, that boy needs therapy

Grab a kazoo, let's have a duel, now when I count three  
That, that, that, that, that boy, boy needs therapy  
He was white as a sheet and he also made false teeth

Avalanches is above, business continues below  
Did I ever tell you the story about  
Cowboys, m-m-midgets, the Indians and, Fron, Frontier  
Psychiatrist  
I, I felt strangely hypnotised

I was in another world, a world of 20,000 girls  
And milk Rectangles, to an optometrist, the man with  
the golden eyeball  
And tighten your buttocks, pour juice on your chin  
I promise my girlfriend I'd, the violin, violin, violin

Frontier Psychiatrist

Frontier, frontier, frontier, frontier  
Frontier, frontier, frontier, frontier  
Frontier, frontier, frontier, frontier

That boy needs therapy, psychosomatic  
That boy needs therapy, purely psychosomatic  
That boy needs therapy

Lie down on the couch, what does that mean?  
You're a nut you're crazy in the coconut  
What does that mean? That boy needs therapy  
I'm gonna kill you, that boy needs therapy

Ranagazoo, let's have a tune, now when I count three  
That, that, that, that, that boy, boy needs therapy  
He was white as a sheet and he also made false teeth

Frontier Psychiatrist

Can you think of anything else that talks, other than a  
person?  
A-a-a bird? Yeah, sometimes a parrot talks  
Hello, hello, hello, hello  
Yes, some birds are funny when they talk  
Can you think of anything else? Um, a record, record,  
record
