All of these words on paper
The fear that sleeps in my bed
The times I feel out of favor
All of these thoughts in my head

All of these stones in my pocket
My dreams that crashed on the shore
Faith when I thought I lost it
I lay it all at Your door
I bring it to You

There's wonder in all that You do
I bring You the scraps that make up my soul
I bring it to You

You make me whole, I'm gold
Songs I've shouted to heaven
All these gifts I've been given
The grace I've never deserved
The life that I find in Your word
I bring it to You

I bring You the scraps that make up my soul
There's wonder in all that You do
You make me whole, I'm gold
I bring it to You

I give You the glory
But more than anything
And I praise Your holy name
I bring You love
I bring You love
I bring it to You

There's wonder in all that You do
I bring You the scraps that make up my soul
You make me whole, I'm gold
I bring it to You
I bring it to You

There's wonder in all that You do

I bring You the scraps that make up my soul
I bring it to You You make me whole, I'm gold
