For the sunlight on my face
For giving me another day, oh, to breathe
For sending down the rain
To remind me of the ways I need You
There are no words to say thank You
For all You've done

Jesus
Son of God who walked the earth
To feel my pain and give me worth
I praise You
Jesus
Holy One who took my sin
Who shed His blood and rose again
I love You
Jesus

For Your mercy in my life
When I deserve to die
You took my place
For cleansing every part
Of the places in my heart
Where there was shame
There are no words to say thank You
For all You've done

Jesus
Son of God who walked the earth
To feel my pain and give me worth
I praise You
Jesus
Holy One who took my sin
Who shed His blood and rose again
I love You
Jesus
Jesus

One day I'll look into your eyes
And I will behold You
The moment I've waited for all my life
When I finally embrace You

My Jesus

Ohhhh...

Jesus
Son of god who walked the earth
To feel my pain and give me worth
I praise You
Jesus
Holy One who took my sin
Who she'd His blood and rose again
I love You

Jesus
Son of God who walked the earth
To feel our pain and give us worth
We praise You
Jesus
Holy One who took our sin
Who she'd His blood and rose again
We love You
Jesus
Jesus
