"Chorus:

It's a new day  
Oh, it's a new time  
And there's a new way  
I'm gonna live my life  
All the old has, passed away  
And the new has come  
Thank God, It's a brand new day

Verse 1:

Lookin' back on yesterday  
There are things that I regret  
But I put the past behind me  
And I never will forget  
You hav covered my mistakes  
And my broken dreams  
Now over the horizon  
I see the dawn is drawing near  
And I realize the sun did rise  
Tomorrow's finally here

(Chorus)

Verse 2:

Now when I wake up thinkin'  
'Bout the things I've done before  
Memories I could not escape  
Well they can't haunt me anymore  
Now I can hold my head up high  
'Cause I am not the same  
You've changed my whole perspective  
And with new eyes I see  
I've become a new creation  
'Cause of what You've done for me

(Chorus)

Bridge:

'Cause of what You've done for me  
No, I am not ashamed  
This heart of mine is finally free

I'll never be the same"
